If your spectacles cannot be repaired successfully, you can donate them to Migitech for continuing research.

Yes No

RUSH ORDER (same day): \$15 Extra

Guarantee: We guarantee our repair for 6 months. If your repair should break within the time, we'll either fix them again at no cost (please return the frames and enclose \$10 for return shipping, Toll Priority) or we'll refund your original fee.

Disclaimer: We are confident we can safely weld your broken metal frames without the use of heat, however, we are not responsible for the condition of your glasses, including former scratches, marks, chips or items lost in the mail. If we are unable to repair your eyeglass frames, we'll notify you by phone or email. Your glasses will then be returned at your expense \$10.

This form should be printed, fill out, and mailed with your glasses; so that we may have all your contact information readily available and an idea of what the problem is with your glasses. (Include this form with your glasses when sending them in for repairs. One set of frames per form, please.)

- Please do not send the product in the original packaging as the packaging will not be returned with the item.
- We suggest you send your glasses by insured, traceable means and properly packaged to protect against damage during transit. Please be aware that Migitech is not responsible for any impact / shipping damage or lost items that may occur during transit.
